## Iowa Interstate Railroad to Operate Steam Train Trips for Flood Relief

Rock Island, IL — On October 18-19, 2008 the Iowa Interstate Railroad (IAIS) will operate Railroad Development Corporation's (RDC's) 2 QJ-type steam locomotives on two days of special events to benefit The Salvation Army's efforts to assist communities impacted by June flooding. A variety of rail-oriented events and rail excursions will be held, with the City of Rock Island, Illinois acting as host and coordinator of the event.

At 7:30 a.m. on Saturday, October 18, a double-headed freight train will leave Iowa City, Iowa for Rock Island, Illinois, with the objective of setting "a new record for steam-hauled revenue tonnage in the 21st century." Upon arrival at Rock Island, at the railyard at 1<sup>st</sup> Avenue and 17<sup>th</sup> Street, the locomotives will then be split to operate passenger excursion shuttles east to Silvis, Illinois, and west to Walcott, Iowa. The day's events will culminate with an evening dinner train, with catering to be provided by RDC "celebrity chefs" from Pittsburgh, Cedar Rapids, Peru, and Guatemala. Finally, on Sunday, October 19, a one-way limited excursion train will operate from Rock Island to Iowa City, accompanying the QJs back to their home in Iowa.

RDC and IAIS Chairman Henry Posner III commented, "By October, the economic impact of the flooding experienced in June will have been long forgotten. The people of Iowa and Illinois don't like to complain, and it is their nature to deal with problems in a spirit of self-reliance, but in this case we would like to remind the greater community that there have been thousands of lives disrupted, and that they should not be forgotten."

IAIS President & CEO Dennis Miller commented, "Although it has taken us some time to recover from our flood damage, we have not forgotten the many people who also suffered losses and were assisted by The Salvation Army. We hope these events will help to replenish their much needed funds in order to continue their valuable service to our communities. All proceeds from the events will be donated to The Salvation Army."

### **Event Day Activities**

"Rail Ride for Flood Relief" event t-shirts will be sold for a \$20 donation. A limited-edition shirt (100 maximum) is available for a \$35 donation prior to the event and \$40 on-site. The shirt will feature a same-day photo of the record-setting steam-hauled tonnage pull from Iowa City to Rock Island that will start the event.

T-shirts can be purchased in advance at [www.rigov.org](http://www.rigov.org), by calling 309.732.PARK, or in person at 1320 24<sup>th</sup> Street, Rock Island. Any remaining t-shirts will be sold event day.

Hy-Vee will sell lunch and snacks on Saturday, October 18 from 11 a.m. to 6 p.m. near the railyard. The Rock Island Hy-Vee will make a donation from the proceeds, which will be matched by the Hy-Vee corporate office, to The Salvation Army.

### **Supporting The Salvation Army**

All profits from the ticket sales and t-shirt sales will be donated to The Salvation Army to help with flood relief efforts in Iowa and Illinois.

Financial support is still needed for flood relief. For example, in the Cedar Rapids area alone, The Salvation Army has served over 125,000 individuals including more than 98,000 meals and nearly 332,000 snack and hydration items through its mobile feeding operations. The Army averaged \$15,000 - \$20,000 per day in expenses in the first 30 days of its disaster response efforts.

These rides are being provided through the courtesy of the **Iowa Interstate Railroad** ([www.iaisrr.com](http://www.iaisrr.com)), **Railroad Development Corporation** ([www.rrdc.com](http://www.rrdc.com)) and the **City of Rock Island** in return for a donation toward The Salvation Army and their flood relief efforts in Iowa and Illinois. Assistance and support is also being provided by the **BNSF Railway** ([www.bnsf.com](http://www.bnsf.com)).
