***Steel City Flyer* Announces New Service**

Pittsburgh, Pennsylvania — The *Steel City Flyer* has added Camp Hill, Pennsylvania, to its route system with express service from Downtown Pittsburgh and Monroeville. In addition, it has modified its schedule to more conveniently permit out and back same-day service for travelers originating in Harrisburg as well as Camp Hill.

“Our goal from the beginning has been to make the *Steel City Flyer* as customer responsive as possible,” said President Bob Pietrandrea. “When we received requests to serve Camp Hill, it was a natural addition to our service between Downtown Pittsburgh, Monroeville, and Harrisburg.”

Camp Hill is located on the opposite side of the Susquehanna River from Harrisburg. Rite-Aid, Gannett Fleming, and Highmark are among some of the major corporations located there with links to Pittsburgh.

The *Steel City Flyer* has adjusted its morning westbound schedule with an earlier departure, arriving in Downtown Pittsburgh by 10:00 AM. With a 2:30 afternoon departure, the schedule allows travelers to spend over five hours in Pittsburgh before returning to Central Pennsylvania.

As further information, the *Steel City Flyer* will operate a special westbound Easter Sunday evening departure from Harrisburg and Camp Hill to accommodate holiday travelers.

The *Steel City Flyer* is a business-class transportation service created by three Pittsburgh entrepreneurs late last year in response to US Airways’ elimination of nonstop service between Pittsburgh and Harrisburg and the increased speed and frequency of Amtrak’s Keystone service from Harrisburg to the East Coast. Its one-way fare of \$69 and travel time of three and a half-hours is competitive with driving and includes complimentary continuous wi-fi service along the entire route and does not charge for baggage.

The *Steel City Flyer* receives no public funding.

More information can be obtained by visiting www.steelcityflyer.com or calling the *Steel City Flyer* at 412-461-9132.
